

All Colleges Combined

The University of Cincinnati's Division of Experience-Based Learning and Career Education, in collaboration with Institutional Research, present the following data on undergraduate alumni using standards set by the National Association of Colleges and Employers (NACE).

Data covers individuals who completed a baccalaureate degree in the 2017-2018 academic year (Summer 2017, Fall 2017 or Spring 2018). Data was collected from six months to one year after graduation.

Status

- 51.7% Employed
- 17.2% Continuing Education
- 31.1% Unknown

Average Salary*

\$44,837, with 2,445 (or 82.9% of employed graduates) reporting

Top Employers

- Cincinnati Children's Hospital Medical Center
- University of Cincinnati Medical Center
- University of Cincinnati
- Kroger
- Christ Hospital

Top Continuing Education Institutions

- University of Cincinnati
- The Ohio State University
- Cincinnati State Technical and Community College
- Xavier University
- Northern Kentucky University

*Notes regarding salary data:

- We do not determine whether a graduate's reported job title is related to his or her academic degree. To remove bias, and in accordance with NACE guidelines, if a graduate reports that he or she is working full-time, their salary is included.
- That said, in accordance with NACE guidelines, salaries below the federal poverty level are excluded under the assumption that such salaries are for jobs that are not related to a baccalaureate degree.
- Figures reflect base salary and do not include bonuses, commissions, fringe benefits or overtime pay.

College of Allied Health Sciences
